

p.n.560433

2M –K11 waterproof access control proximity reader

Specification

Card type: EM/HID
Working voltage: DC12V±10%
Reading range: 3 ~ 8cm
Humidity: 20% to 90% RH
Door opening time: 0~99s (Adjustable)
Sleep electricity: ≤30mA
Ambient Temperature: -45°C ~ 60°C
Electric lock out: ≤3A
Short-circuit protect: ≤100μS
Dimension 115 x 56 x 22mm

Feature

Waterproof IP68
Metal case, anti-vandal
Anti-passback: Single door or two doors anti-passback
Capacity 10000 cards
With admin add/ delete card
Two accesses card, Infrared controller
