

p.n.980191

Power Supply 12V 3A

Technical parameter	Rated Input Voltage: 100-240Vac AC Input Frequency : 50-60 Hz AC inrush current: <45A/ 230Vac Output voltage: DC 11.4V-12.6V Output current: 0-3A
Environment parameter	Operating Temperature: : 0-40°C Storage Temperature: -20°C-70°C Operating humidity: Max 90% Storage humidity: Max 90%
Product description	AC to DC OCP, SCP MTBF: 30,000 hours Wall mount vertical type
